

VWH Newsletter

Please replace this file with a PDF and name that file newsletter.pdf

Upload the “newsletter.pdf” to the server. You can do this by uploading a file in the normal way. You do not need a link to it so this may be removed after the file has been loaded. Removing the link on the page will not remove the file.

The newsletter is available via the Farm & Supporters club menu. After uploading the file check to make sure that the latest version has been loaded successfully by using the menu link.

Each new newsletter will overwrite the previous version. The same file name “newsletter.pdf” must be used each time a new newsletter is added.
